

# Supper Club Reservation Form

Vista Supper Club is our monthly, intimate dinner series celebrating the Vista ethos of local & sustainable dishes paired with Vista's world-class beer and local Texas wines.

Each month, the rotating theme highlights a specific seasonal ingredient, one of our partners or one of our specialty beer releases. The three-course menu features the seasonal harvest from our 1-acre onsite "beyond organic" farm. Sustainably-raised proteins are sourced from local ranchers in Central Texas. Chef Stiver expertly blends these hyper-local ingredients for an unforgettable modern Texas dining experience.

Reserve your seats by filling out this form, calling 512-438-9102 or emailing us at [howdy@vistabrewingtx.com](mailto:howdy@vistabrewingtx.com).

Supper Club dinners must be reserved and your reservation held with a credit card. You will not be charged until the day of the dinner, this is simply to hold your reservation. In the event you do not cancel more than 5 days prior to the dinner, you will be charged the full \$50 food cost.

The three course dinner is \$50, with expertly paired beer and wine available at an additional charge (Beer Pairings +\$12, Wine Pairings +\$18, Beer & Wine Side by Side Pairings +\$22). We will do our best to accommodate dietary preferences and restrictions. Please let us know when reserving your seat.
